# About the Classic

The Golf Classic is a long-standing tradition in the Houston golf community that provides excellent recreational, networking and fellowship opportunities for over 140 golfers while also raising money for scholarships. Alumni and supporters of Southern University will come together at the prestigious Clubs of Kingwood for this unique, exciting and fun-filled tournament. The funds raised benefits Houston area students who choose Southern University for their post-secondary education.

# The Clubs of Kingwood

*The premier golf and country club in the greater Houston area.*

***Tee off with SU alumni and supporters on one of Kingwood's award-winning golf courses.***

The Clubs of Kingwood has been recognized as the #8 Best Private Club; and ranked as one of the top 10 courses in Texas by the Dallas Morning News. The Clubs host Stage I and II PGA Tour qualifiers, the Senior PGA Doug Sanders Celebrity Pro Am Classic, the Texas State Senior Open, and the Canadian Open Tour event. In addition to numerous other awards and recognitions, most of the US Open scenes in the movie Tin Cup, starring Kevin Costner, were filmed at Kingwood.

With five challenging and visually attractive courses, Deerwood, Island, Forest, Lake, and Marsh, The Clubs of Kingwood offers exceptional, one-of-a-kind golf experiences where golfers have the opportunity to test every aspect of their game.

With four sets of tee boxes on each course, an excellent challenge awaits both the beginner and the seasoned golfer. The Clubs offer something for everyone – from tournaments and events to lessons to one of the largest fully stocked golf shops in Texas. We are confident that your visit to The Clubs of Kingwood will be a memorable day.
