2024 SPONSORSHIP OFFERINGS

ROMAN BANKS

Athletic Director

Our Mission

Southern University Department of Athletics is to represent the University, its culture and traditions, alumni and supporters by leading the way in athletic competition, academic pursuit, and community engagement.

Our Goal

Southern University Department of Athletics presents a series of fundraising events designed to increase alumni engagement and giving in an effort to advance student scholastic and athletic achievement. We recognize that we cannot do this without your support. Rather than a traditional means of asking for donations- we invite you to come out, enjoy yourselves as we celebrate with the Southern University Athletic Director, Roman Banks.

Live from the Raising Canes' River Center, the Southern University Athletic Department Gala commences the Back To The Bluff Weekend. Our gala will celebrate the department's legacy by honoring Southern University Athletic Legends and past leadership who served to advance diversity, equity, and inclusion. This experience will feature table seating for eight, a three-course dinner with a champagne toast, live entertainment and a silent auction. This event is hosted by generous national and local corporate sponsors, professional organizations and individuals.

GALA EXPERIENCE

Experience the standard, a night of sophisticated excellence amongst the Jaguar Nation's most influential athletic legends, alumni, and supporters. This exclusive fundraising and social event focuses on supporting the needs of Southern University student-athletes.

SILENT AUCTION

During this exclusive silent auction, guests bid on silent auction items where proceeds enhance the opportunities for our student-athletes. Our 2024 goal is to generate more than \$80,000 to support funding for student scholarships, facility projects, and important sports initiatives.
