Sponsorship Opportunities

“Inspiring the Next Generation of
Veterinary Professionals”

OVERVIEW

Empowering the Future of Animal Care

What is Vet Explore?

Vet Explore is a cutting-edge veterinary exploration event designed for high school and undergraduate students passionate about animal care and veterinary sciences. This engaging event features key components such as:

- 🐾 Vet School Preparation Materials
- 🐾 Jag Stars Pre-Vet/Animal Science 101 Session
- 🐾 Hands-on demonstrations in suture techniques and blood collection.
- 🐾 Animal Care and Nutrition
- 🐾 Engaging Career Exploration Sessions conducted by real-life veterinarians.
- 🐾 Veterinary School Admissions Officers

WHY SPONSOR?

- 1. Impact on Future Generations:** Empower minority and underrepresented students with hands-on experiences and skills to shape the future of veterinary medicine.
- 2. Brand Visibility:** Boost your brand's visibility and align with impactful values by sponsoring educational and diversity-focused events.
- 3. Supporting Diversity in STEM:** Promote inclusivity and fresh perspectives in veterinary medicine and STEM by supporting underrepresented students.
- 4. Social Impact:** Demonstrate social responsibility, inspire employee pride, and support diversity through community-focused sponsorships.
- 5. Networking Opportunities:** Build connections with talented students, future collaborators, and key partners in education and the community.

- Hill's Pet Nutrition
- Heartland Veterinary Partners
- LVMA
- Hammond Animal Hospital and Pet Lodge
- Luster Group
- BRAVMA
- Baton Rouge Sigma Alumnae
- MidWest Veterinary Supply
- Maggie T Foundation
- NABV
- BLeNDVET
- SU Ag Center/ College of Ag

Allocation of Sponsorship Funds:

*Sponsorship funding will create an impactful experience for students, covering essential resources like anatomical models, suture kits, meals, and souvenirs. It will also support scholarships and event supplies, empowering the next generation of veterinary professionals through hands-on learning and inspiration.

Impact Snapshot:

- 150 students empowered with career building skills.
- Increased diversity in veterinary school applicants.
