Subject: Call for Nominations – 1880 Society Board of Directors

Members of the Southern University System Foundation's 1880 Society,

We hope this letter finds you well. We are excited to announce that nominations are now open for three vacant positions on the 1880 Society Board of Directors. These positions will be filled during our upcoming Annual Meeting.

The Nominating Committee is accepting nominations starting Monday, July 27, 2026 until Monday, August 10, 2026. Members in good standing are eligible for nomination. Nominees must be in good standing and must have agreed to accept the responsibilities of a directorship. We encourage all members to participate actively in the nomination process and self-nominations are highly welcomed. Nominations are made using the attached nomination form.

Once the nomination period is closed, in accordance with the guidelines outlined in the By-Laws of the 1880 Society, the nominating committee will present proposed candidates to the Directors for ratification, also note that four (4) Board Members will be rolled-off due to being term limited. We value your involvement and commitment to Southern University, and we believe that your participation in this process will be instrumental in shaping the future of the 1880 Society.

Thank you for your continued support and dedication to the 1880 Society. If you have any questions or require further information, please don't hesitate to contact me.

Best regards,

Pamela Whitley
